I, the undersigned Luca Andrea Giordano, Professor at the Salerno State Conservatoire 'Giuseppe Martucci' (Italy), declare to have participated in the Erasmus Programme on September 2015. The masterclass was focused on the Italian diction applied to the vocal repertoire; it was addressed to both singers and those who are interested in vocal repertoire in order to inspire them to reach their full potential in the most efficient and effective way.

With this in mind, I have benefitted from an excellent collaboration with the Institution, represented by Prof. Ph. Dr. Zuzana Martináková who organised my stay in the best way possible. I have been welcomed with warmth and enthusiasm by both the staff and the students, who showed great attention to my course. I have had the possibility to appreciate the high artistic level of both professors and students, the organisation of both the didactic activities and the administrative office, as well as the great care with which Prof. Ph. Dr. Zuzana Martináková runs her activity.

I am glad to have benefitted from this unique experience. I do hope there will be other occasions in future to collaborate.

Kind regards
